

## **Nova Limited**

### **Senior Business Intelligence Analyst**

We are currently seeking 1 Business Intelligence Analyst for a client-facing role within the financial / reinsurance space. This is a multi-faceted role where the successful candidate will be primarily an individual with first rate skill and experience analyzing, manipulating, troubleshooting and reporting on complex sets of data in response to immediate customer requirements. Further, the candidate will possess sufficient coding skills to effectively support this analytical function.

The successful candidate will be responsible for:

- Business analysis - collecting technical requirements and use cases from the business stakeholders.
- Data analysis - analyzing data, confirming integrity and accuracy of report outputs and calculations.
- Reporting - modifying and writing calculations, T-SQL procedures and reports within the Microsoft technology stack to fulfill business requirements.
- Testing - confirming that produced reports are of high quality, meet the business needs and are proven to be reliably accurate.

#### **Professional and Educational Requirements:**

- BSc. in Computer Science or equivalent
- Microsoft Certification in BI/SQL Server

#### **Required Skills & Experience:**

- Minimum of 5 years of Microsoft SQL Server.
- Experience with data mining, data warehousing or in BI.
- Experience in SSAS, SSRS and SSIS.
- First rate data analysis skills.
- Excellent client facing (soft) skills.
- Experience fulfilling business analyst responsibilities.
- Excellent Microsoft Transact-SQL.
- Excellent mathematical and problem-solving skills.
- Excellent oral and written communication skills.

#### **Desirables:**

- Professional qualifications in a numerically literate financial area or modelling. An accounting, actuarial, underwriting, modelling or other similar business background will be considered a plus.
- Experience developing solutions in the financial industry.
- Experience working in an Agile / Scrum environment.
- Experience with C# in a professional capacity.

Please submit a CV and cover letter to the **Human Resource Manager**, Suite 1547, 48 Par-la-Ville Road, Hamilton HM 11, Bermuda or by email to [careers@nova.bm](mailto:careers@nova.bm). Qualified Bermudians, Spouse of Bermudians and PRC Holders welcome to apply.

**Closing Date: 19<sup>th</sup> September 2018**
